---	---

As the Plaintiff pro se Sara J. Van Dyke in the above-captioned matter, I respectfully ask the Court for permission to participate in electronic case filing ("e-filing") in this case. I hereby affirm that:

1. I have reviewed the requirements for e-filing and agree to abide by them.
2. I have completed the Court's CM/ECF introduction course on-line.
3. I understand that once I register for e-filing, I will receive notices and documents only by e-mail in this case and not by regular mail.
4. I understand that e-mail is not foolproof, and therefore, I must regularly review the docket sheet of the case so that I do not miss a filing.
5. I have regular access to the technical requirements necessary to e-file successfully:

a computer with internet access;

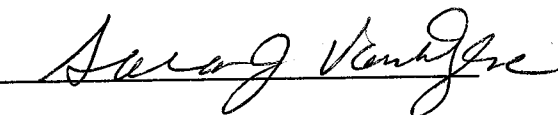

an email account on a daily basis to receive notifications from the Court and notices from the e-filing system;

- ☒ a scanner to convert documents that are only in paper format into electronic files;
- ☒ a printer or copier to create required paper copies such as chamber copies;
- ☒ a word-processing program to create documents; and
- ☒ a PDF reader and a PDF writer to convert word-processing documents into PDF format, the only electronic format in which documents can be e-filed.

6. My first motion for permission for electronic case filing (see Docket No. 32) was denied because I did not complete the required CM/ECF introduction course and did not submit an affidavit of service. See Docket Entry Number 48. Having taken the required CM/ECF course (see #2 above), I am resubmitting this application, with the attached affirmation of service.
